Retirement, *401K Plan, Paid Holidays, Vacation and Sick leave,
Free Employee Parking and free TARC rides for all PVA employees.**

Motor Vehicle & Personal Property (Motax)

Anyone who registers a vehicle or boat with the Jefferson County Clerk is also listing the vehicle with the Jefferson County PVA for property tax purposes. This registration leads to a property assessment based on values determined with standardized guides (primarily NADA) provided by the Kentucky Department of Revenue to determine the value. Assessment for all tangible property as well as private aircraft, motorcycles/ATV/snowmobiles, recreational vehicles and camping trailers, is also handled by the Motax Team.
