**Food Drive Partners, Community Organizations, and Donors,**

The 2025 Jefferson County Cares food drive collected nearly 3,500 food item donations to help supply area non-profits serving our community. This remarkable result is thanks to the leadership and organizing efforts provided by the partnering teams at the Jefferson County PVA, Jefferson County Clerk, County Sheriff, and the County Attorney's offices. A huge thanks is due to the staff and community members who donated.

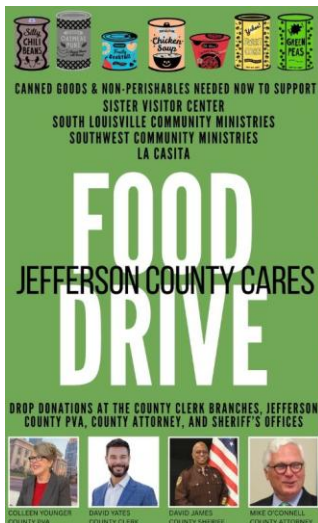

While we are so glad to have helped contribute, the deepest gratitude is due to the community organizations who received the donations and use them in the vital service they provide to the community throughout the year. Our heartfelt thanks to Southwest Community Ministries, South Louisville Community Ministries, La Casita Center, and the Sister Visitor Center.

Though the 2025 Jefferson County Cares Food Drive has ended, we look forward to supporting the work of these community organizations and others around the county in the new year.

Sincerely,

**Colleen Younger, Jefferson County PVA**

***Extending gratitude on behalf of food drive partners: Jefferson County Clerk David Yates, County Sheriff David James and County Attorney Mike O'Connell***
